

Plan out the size of the Sea Lion on your Watercolour paper, ensuring you have enough room for the body, head and tail.

Use a light sketch line that is easy to rub out, if you make a mistake.

1. Sketch a centre line for the body.

#2. Sketch the simple oval shape of the body.

#3. Sketch a circle for the head,

#4. Sketch centre lines for eye line.

#5. Sketch a circle for the mouth and nose area.

#6. Draw circles for the eyes.

#7. Draw upside-down triangle for the nose, then draw the mouth.

#8. Lightly sketch lines for the front flippers.

#9. Sketch the tail that starts from the middle of the back like the shape of a triangle.

#10. Sketch two small triangles for the flippers.
